### Rotation of Membership on the Hisar Shield Committee (5 Members Make Up the Committee)

Recipients have been numbered 1-10 in the order they were appointed to the Hisar Shield Committee by the ASDCA BOD or in the order of the year they were awarded the Hisar Shield. With this plan, 2 members rotate off each year, and 2 new members rotate on. With this rotation, members rotated off will be rotated back on the committee after 2-3 years. Each “term” begins January 1 and ends December 31. The Hisar Shield committee will be posted at the beginning of the year on the ASDCA website.

Where couples have been awarded the Hisar Shield Award at the same time, the Board voted that only 1 would serve on the committee at the same time. With this rotation, it gives the other half of the winning couple the opportunity to serve on the committee should they choose to do so.

The above named recipients have agreed they would like to serve on the Hisar Shield Committee in the future. If additional people receive the Hisar Shield Award in the future, they can be easily added to the rotation schedule.
