Established 1970 AKC PARENT CLUB

Dear Friends,

January 3, 2020

We are going for gold! We are super excited to announce that the Anatolian Shepherd Dog Club of America, Inc. (ASDCA), will hold it's annual National Specialty in September 18, 2020 in Gray Summit, MO. This is the 50<sup>th</sup> annual National Specialty sponsored by the ASDCA, <http://www.asdca.org/>. This national competition has grown each year and has received enthusiastic support both locally, throughout the United States and abroad.

The National Specialty is our club's major fund raising function of the year. Funds raised at the National Specialty show enable the ASDCA to continue with on-going educational programs, learning clinics, judge's seminars. Monies provided in support of the ASDCA also help to continue promoting and educating people about this magnificent and courageous working breed. Our income and support for the ASDCA will come from a raffle and live auction held at our National Specialty.

Donations from individuals and businesses are critical in making our auction and raffle a big success. All donations regardless of size will help us in making this a success. Let's make this 50th anniversary ASDCA National Specialty a truly gold star event!
