ASDCA NATIONAL SPECIALTY GUIDELINES

GENERAL INFORMATION

The ASDCA Board of Directors has established the following guidelines for the National Specialty traditionally known as the “Annual Gathering of the Clan.” Some guidelines in this document are only suggestions that may or may not be applicable to your particular situation. On the other hand, the ASDCA has adopted certain mandatory policies designated in the following document. Any deviation from these guidelines or anything not covered in the guidelines shall be brought forward to the ASDCA Board for clarification and/or approval.

The ASDCA welcomes invitation from club members to host the ASDCA National Specialty Show.

The Show Chair must commit to providing the ASDCA with a professional and cost effective annual National Specialty Show, conducted for, and on behalf of, the ASDCA, its general membership, the Officers and Board of Directors as well as the ASD fancy. A key goal of the ASDCA National Specialty is that it should be self-sustaining and not be a drain on the treasury of the ASDCA. The ASDCA Board and Officers are available to provide assistance to the Show Chair.

ASDCA Policy changes made by the Board shall be automatically updated in these guidelines. Any other changes must be reviewed and approved by the ASDCA Board. (March 2010)

FINANCIAL CONSIDERATIONS

All incoming funds shall be made out to the “ASDCA” and forwarded to the ASDCA Treasurer. A final financial report listing all sources of income and expenditures (to includes a Judge’s Expense form) along with any monetary balance shall be forwarded to the Treasurer within 60 days after the National Specialty.

All monies made are deposited into the ASDCA’s general fund. (March 2010)

All contracts shall be presented to the ASDCA Treasurer for review, approval and authorized signature. This includes contracts for the show site, motels, meals, guest speakers and Show photographer, etc.

A reasonable effort shall be made to provide motels/hotels, lunches and dinners as well as any other activities (such as educational) at a reasonable cost to the ASD fancy.

BUDGET

The Show Chair will work with the Treasurer to develop a budget for the National Specialty. Costs and Income from previous National Specialties are available to assist the Show Chair.

WHEN THE NATIONAL SPECIALTY SHALL BE HELD

The ASDCA National Specialty shall be held in the fall after September 15th and before December 1st. The September 16th starting date is based on the airline embargo against flying animals from May 15th through September 15th.
ASDCA NATIONAL SPECIALTY GUIDELINES

LOCATION

The show site should be no further than 100 miles from the nearest major airport which has planes serving it that can accommodate 700 size crates.

ROTATION

Every effort should be made for the ASDCA National Specialty to rotate between 3 geographical regions.
East – FL, GA, SC, NC, VA, WV, MD, DE, NJ, NY, PA, CT, MA, NH, ME, VT, RI
Central – ND, SD, NE, KS, OK, TX, MN, IA, MO, AR, IL, MI, WI, IN, OH, KY, TN, MS, AL, LA
West – NM, CO, UT, MT, ID, OR, WA, AZ, CA, NV, WY, HI, AK

The rotation should be West, East, Central. Historically it has been 2008 East, 2009 West, 2010 East with 2011 Central, returning to the West in 2012, East in 2013, Central 2014, etc. If necessary the rotation can be revised at the discretion of the ASDCA Board of Directors. (March 2010)

PROCEDURE FOR APPLYING FOR A SPECIALTY

A “Proposal to Host an ASDCA National Specialty” should be completed and returned to the ASDCA Secretary no later than one month prior to the Annual General Meeting (AGM) being held two years prior to the scheduled National Specialty. The “Proposal to Host an ASDCA National Specialty” can be found at the end of these guidelines. The ASDCA Board will discuss the application and request additional information from the requestor if needed. Upon approval, the ASDCA Secretary shall notify the Show Chair named in the proposal and direct him/her to proceed.

If the vote of the ASDCA Board is negative, the secretary will immediately notify the person listed as Show Chair in the proposal.

TYPE OF SPECIALTY – INDEPENDENT OR PART OF ALL-BREED SHOW

There are two types of dog shows during which the ASDCA can hold National Specialties – as an Independent Specialty or as a Specialty during an All-Breed Kennel Club’s show. Independent Specialties are usually held in conjunction with a weekend dog show cluster so that there are several days of dog shows available (i.e. If all-breed shows are held on Sat and Sun, the Independent Specialty would be held on the Friday before or the Monday after).

An Independent Specialty is preferred because it provides the ASDCA the greatest amount of flexibility for hosting a specialty and it allows the Veteran’s Class to be open to spayed or neutered entries.

If the Specialty is held as an Independent Specialty, in order to save costs, the Show Chair must find out if there are facilities available to use at the All-Breed Kennel Club’s facilities. Usually all dog shows will have a day for Independent Specialties on the day before their shows are held. This saves on facilities costs because they can be shared. It is common practice for all-breed Kennel Clubs to solicit
ASDCA NATIONAL SPECIALTY GUIDELINES

Specialties and make their show facilities available at little or no cost because it increases their entries.

If the decision is made to hold a Specialty in conjunction with an all-breed show, the Show Chair must coordinate with the all-breed club regarding their requirements. These requirements need to be included on the Proposal to Host a Specialty Form (attached). Deadlines and setup contacts as well as any requirements that may be unique to that Kennel Club need to be researched.

*Both Non-regular and exhibition classes can be held if the specialty is part of an all breed show and these must be coordinated with the all-breed club. (March 2010)*

SUPPORTED ENTRIES

All other AKC shows that are held the same weekend as the National Specialty (with the All Breed Kennel Club host) will have Supported Entries provided by the ASDCA. Trophies for these shows shall be paid for by the Club at an amount not to exceed $100 per day and shall include at least Best of Breed, Best of Opposite Sex, Best of Winners, Winners Dog and Winners Bitch.

*Also, be sure to offer Rosettes for Supported Entries. The Rosettes must be listed in the Premium List of the All Breed Kennel Club host. (March 2010)*

The Show Chair is the most important position. This person is responsible for the overall planning, management and financial success of all activities and functions pertaining to the National Specialty Show events. The Show Chair should possess good communication skills as a great deal of the work he/she incurs will involve dealing with individuals and the business community. - Provide the Show Superintendent /Secretary with the proper entry fees for all ASDCA events. The ASDCA Board of Directors sets all entry fees for the ASDCA National Specialty events, including conformation showing, if it is an Independent National Specialty. If not an Independent National Specialty, need to work with the club.

Other items recommended for inclusion in the welcome packet are the AKC Code of Sportsmanship and necessity to clean up after your dog. (moved from section on Host Hotel) (March 2010)

The ASDCA shall purchase and make available to the Show Chair a copy of the AKC Show/Trial Manual. The manual shall be returned to the ASDCA Secretary 30 days after completion of the Specialty.
COMMITTEES / COMMITTEE CHAIRS

All Committee Members must be ASDCA members in good standing. Exceptions can be granted on a case by case basis by the ASDCA President.

Each Committee must have a Chair. An individual may chair more than one committee. Committee responsibilities may be combined or others created as needed.

Each Committee Chair shall take due care to ensure no perception of unfairness is conveyed by the Committee Chair position during the National Specialty breed competition and subsequent Supported Entry breed competitions. For example, the Committee Chairs should not directly assist the Judge’s in or outside the show ring if they will be showing a dog in the breed competition. The Committee Chairs should not have any direct physical contact with the Specialty Judge until after the National Specialty, if they are showing a dog. (March 2010)

EVENT COMMITTEE

Per AKC rules (Rules Applying to Dog Shows, Chapter 6, Section 2 and Dealing with Misconduct), a minimum of five members shall make up the Event Committee (previously known as the Show Committee). The Event Committee is required for all Independent Specialties as well as for all events that the ASDCA holds which are not parts of an all-breed Kennel Club show such as Judges’ Education Seminar or AGM. These members will be appointed in writing by the ASDCA President. The Event Committee is responsible for seeing that the AKC rules and guidelines are followed for the National Specialty. The Event Committee is made up of the Show Chair and at least four other members who report directly to the Show Chair. It is the duty of the Event Committee, not the AKC, to deal initially with acts of alleged prejudicial conduct which occur during or in connection with a club’s events. It is imperative that all members of the Event Committee thoroughly review the Dealing with Misconduct booklet. There are two sections in the Show/Trial Manual which outline the specific duties of the Event Committee as well as what needs to be reported to AKC. These are Section 11 Event Committee Hearings & Appendix B, Dealing with Misconduct.

The following Chairs are the minimum Committee Chairs required for all National Specialties. There are other Committee Chairs which are required depending on whether the National Specialty is an Independent Specialty in conjunction with other shows or if it is completely Independent on its own site. The other Committee Chairs are listed in the AKC Show/Trial Manual (See Section 2).

TROPHY CHAIR

The Show Chair shall identify a Trophy Chair. The ASDCA provides its own trophies for the National Specialty events. His/Her duties include but are not limited to:

RAFFLE/AUCTION CHAIR

During the Annual Awards Banquet, the ASDCA holds a raffle/auction which is one of the major fund raisers for the year. Donations for the raffle/auctions shall be solicited from the membership and dog related companies. The Raffle/Auction Chair is also responsible for coordinating the raffle/auction during the Annual Awards Banquet.

AKC SHOW/TRIAL APPLICATION

This is the application which is sent to the American Kennel Club (AKC) requesting permission / approval to hold a National Specialty. The ASDCA Secretary will complete and send out the AKC Show/Trial Application. This application must be completed as soon as possible but not later than 26 weeks prior to the closing date of the show. The Sweepstakes Judge’s name(s) must be included on the application. The reference for this application is the AKC Rules Applying to Dog Shows.

SPECIALTY JUDGES

BREED JUDGE

It is preferred that the specialty breed judge used come from the list of judges on the all-breed panel for the weekend. Keep in mind that most large all breed clubs begin selecting their panel of judges two or more years in advance. As soon as it is decided to hold the specialty, provide the all breed club with a list of judges (Note: Only names provided by the ASDCA Board of Directors will be provided to the all-breed club) in hopes they include some of these judges on their panel. The breed
judge must be a Working Group Judge and not be Provisional. Any questions regarding judge’s selection shall come to the ASDCA Board for resolution. Coordinate with the ASDCA Board for final breed judge’s selection.

If there is no acceptable candidate, then the judges shall be chosen from a list supplied by the ASDCA Board. This list will come from the recommendations sent to the ASDCA Board by the membership yearly (nominations should be forwarded to the ASDCA Secretary by 1 January every two years.)

The breed judge is to receive lodging and all meals during the specialty not to exceed two days. Reimbursable expenses include reasonable transportation costs, lowest economy air fare booked at least thirty days in advance, the rental of an economy car (if transportation cannot be provided by the Show Committee) or if driving, mileage at the current IRS rates. If the Breed Judge would like to bring a guest, the ASDCA will only pay for the costs of the guest to attend the Specialty Luncheon and/or ASDCA Annual Awards Banquet. It is important to work with the cluster to share the costs for the breed judge if they are using the Breed Judge on their Judging Panel. It is important that the costs not exceed $600 for each judge due to IRS reporting requirements.

The breed judge must be contacted by either the Show Chair or an assigned representative to ascertain his/her terms. In case he/she charges a fee, the ASDCA Treasurer will be contacted to give final approval. A contract will be prepared by the ASDCA Secretary for the specialty judge. (Note: The ASDCA Secretary will prepare and mail all contracts with input provided by the Show Chair.) A copy of the signed contract will be forwarded to the Show Chair by the ASDCA Secretary. If the Show Chair desires to show or have their dogs shown in the National Specialty, they must not have any contact with the judges. They will then assign the Judge's Hospitality Chair or a representative from their Show Committee or Board Member who will not be showing to make all contacts.

The Breed judge agrees to provide exclusively to the Editor of the Anatolian Times magazine, a written critique of all winners plus first through fourth in all classes, within 90 days of the specialty. Once this critique is published in the Anatolian Times, the judge may then release it to other publications. The Breed Judge’s contract is to contain this information. This is only necessary for an Independent Specialty as there is usually not enough time to do a written critique during a regular kennel club’s show.

A judge who adjudicates the conformation portion at a National Specialty show shall not be eligible to judge a National Specialty again for the next ten (10) years. Also any judge who adjudicates an ASDCA Regional Specialty show shall not be eligible to judge a National Specialty for the next three (3) years.

Sweepstakes Judge

The ASDCA will provide a $100 stipend for the individual who judges the Sweepstakes portion of the National Specialty. This stipend is in lieu of lodging, transportation expenses, meals (except the NS Luncheon or Banquet), and gift. However, all attempts will be made to obtain a qualified volunteer to serve as the Sweepstakes Judge. It is recommended to contact local judges who are Provisional for the Anatolian Shepherd as well as any local Breed Study or Judge’s groups for folks who would be interested in being a Sweepstakes Judge.
MISCELLANEOUS JUDGE’S REQUIREMENTS

Both the Breed and Sweeps judges will be invited to be a guest at the Annual Awards Banquet. The ASDCA will pay for the meal costs of the banquet for both the Judge(s) and if they desire, a guest.

A request will be made of the Breed and Sweeps judges to make comments at the Annual Awards Banquet, if they are able to attend.

Contracts will be prepared for both the Conformation & Sweepstakes Judges by the ASDCA Secretary. The contracts shall be prepared per the AKC guidelines of which an example is in the AKC Show/Trial Manual. Note: If the Specialty is part of an all breed show, then a contract is not required for the Breed Judge.

SHOW SUPERINTENDENT / SHOW SECRETARY

A successful show hinges directly upon the abilities of the chosen Show Secretary or Show Superintendent. It is the responsibility of the Show Chair to negotiate for the services of either a Show Secretary or Show Superintendent. Only a Show Secretary or a Show Superintendent is hired.

The hiring of a Show Superintendent is the easiest alternative but often the most costly. If a Show Superintendent is hired, he/she will provide all necessary equipment and supplies unless otherwise agreed.

The second option is to hire a Show Secretary which is the option most often selected. Although Show Secretaries are often less expensive, the Show Chair now shoulders the burden of providing all necessary equipment and supplies.

Unless the Kennel Club whose site we are using has a requirement that a specific Show Superintendent is to be used, for an Independent Specialty, the Show Chair needs to identify the Superintendents/Show Secretaries available. The Show Chair must obtain at least two quotes (or Request For Proposal) outlining the necessary services to be rendered from two different Superintendents or Show Secretaries for cost for these services. These quotes shall be reviewed with the ASDCA President (changed from Treasurer March 2010) and along with the advice of the ASDCA Treasurer, make a decision which to use. The contract must explicitly list the duties, functions and materials that will be provided by either the Show secretary or Show superintendent. Once the contract is received, review once more with the Treasurer and sign. This contract must include the stipulation that a copy of the premium list shall be mailed to every ASDCA member. The address labels or an electronic list of all ASDCA members will be supplied by the ASDCA Secretary. If the premium lists are not mailed by the Show Superintendent or Show Secretary it is the responsibility of the Show Chair to mail them out.

SPECIALTY LOGO

The ASDCA Board shall have final approval for the Specialty Logo. The Specialty Logo should be used for tee/sweat shirts and be included on all show related flyers, ads, or releases.
VIDEO TAPING

If the Show Chair desires to have a video tape made of the National Specialty, he/she must ensure that it is authorized at the show facility or site being used and it should be done with the understanding that there will be no cost involved for the ASDCA.

[The ASDCA Secretary must be made aware prior to the submission of the Show/Trial Application if there will be a commercially filmed video planned. (March 2010)]

The Show Superintendent or Show Secretary must be notified if video taping is desired so they can include it in the premium list.

SHOW PHOTOGRAPHER

Identify who the show photographers are that serve the all-breed club and contact them for their requirements. If a contact is necessary, review the contract with the ASDCA Treasurer prior to signing. Only one photographer should be requested to serve as the National Specialty Photographer. (March 2010)

The Show photographer should provide the ASDCA a copy of the National Specialty pictures for inclusion in the newsletter at no cost to the club. These pictures shall include, but are not limited to all first place conformation & Junior Showmanship winners (from both the regular and non-regular classes) as well as Winners, Reserve Winners, Best of Breed, Best Opposite Sex and Awards of Merit as well as the sweepstakes winners and Special Attractions.

Once the Specialty pictures have been published in the Anatolian Times, the photos or photo disc will be forwarded to the ASDCA Secretary for archiving.

CHIEF RING STEWARD

For an Independent Specialty, a Chief Ring Steward needs to be identified. The Chief Ring Steward must have had stewarding experience at an all-breed kennel club show and be familiar with AKC rules and regulations. For all past specialties, volunteers have served as the Chief Ring Steward. The all breed kennel club that the Show Chair is working with can usually find someone to be Chief Ring Steward. It is appropriate to provide a gift to the Chief Ring Steward since they are volunteering their time. The Chief Ring Steward shall not have any dogs entered in the Specialty. All attempts should be made to identify a volunteer to serve as the Chief Ring Steward. (March 2010)

The Show Chair shall identify a person to assist the Chief Ring Steward with trophies. This person must not be showing a dog during the regular conformation classes. (March 2010)

The Chief Ring Steward will be provided by the all-breed club when the ASDCA Specialty is not an Independent Specialty.
ASDCA NATIONAL SPECIALTY GUIDELINES

ASDCA NEWSLETTER – The Anatolian Times

The Anatolian Times shall be used to advertise and provide information about the National Specialty as early as possible.

Inserts may be included with the mailing of the Anatolian Times as long as the information is pertinent to the general membership and the enclosure has a tear off that is to be sent back for reservations or purchases, that the enclosure adheres to the Editorial Policy & Guidelines of the Anatolian Times, and the fliers are limited to those that support the Specialty.

A picture of the Best of Breed winner will appear on the cover of the Anatolian Times featuring the National Specialty in adherence with the Editorial Policy and Guidelines for the Anatolian Times. If the Best of Breed winner is owned or co-owned by an individual who is not eligible for ASDCA membership or not in good standing with the ASDCA, the winner’s picture will not be published on the cover.

The Show Chair is responsible for providing an article on the National Specialty to the Editor of the Anatolian Times for the issue covering the National Specialty.

The Show Chair is responsible for ensuring that a list of the trophy, raffle and auction donors are provided to the Editor of the Anatolian Times for listing in the issue covering the National Specialty. These lists shall also be provided to the ASDCA Webmaster for placement on the ASDCA website with links to the donor’s business.

PERPETUAL TROPHIES

The ASDCA has six perpetual trophies which are awarded at the National Specialty. These perpetual trophies are not taken home by the winner. They will be stored at the most appropriate Board Member’s home or the Club’s storage facility. The perpetual trophies are listed below and each year’s winner shall have their names engraved on the trophies. In addition to the six perpetual trophies, two other trophies are to be displayed during the National Specialty events, the Hisar Shield and the Original Zorba Trophy. All trophies will be appropriately displayed adjacent to the table(s) displaying the awards at the National Specialty and at the Annual Awards Banquet. (March 2010)

ASDCA NATIONAL SPECIALTY GUIDELINES

The Trophy Chair shall arrange with the Show Chair for shipment of the perpetual trophies. The perpetual trophy boxes used for shipment are to be saved and used again for shipping the trophies back to the appropriate location as determined by the ASDCA President. (March 2010 changed from Perpetual Trophy Chair). The shipper should pay for shipping both ways. The cost of shipping will be reimbursed by the ASDCA Treasurer.

FLOWER ARRANGEMENT

A flower arrangement must be made available for the Trophy Table and must be used during the professional picture taking sessions during the show. It must also be on display at the Annual Awards Banquet.

GROOMING AREA

At the show site identify and secure setup space for the ASD exhibitors to place their crates, chairs and other items in one location near the Specialty Ring. If the ASDCA is charged for grooming area, the cost will be shared by the exhibitors. The Show Chair will ensure that the area designated for the ASDCA National Specialty is roped off and have signs identifying the area as RESERVED for ASDCA National Specialty participants.

CORPORATE SPONSORSHIP

ASDCA welcomes proposals from corporate sponsors interested in sponsoring our National Specialty. The ASDCA Board welcomes any suggestions from the Show Chair on possible sponsors. A Dog Food Company or other appropriate corporate sponsor should be contacted for sponsorship. The Show Chair must have a contract/letter detailing the terms of their sponsorship (what they will provide and what we will do for them in terms of advertising etc.) from the Sponsor. Ensure that the sponsorship does not conflict with the all-breed club. All sponsorship money be forwarded to the ASDCA and the ASDCA Treasurer will use the funds to offset the costs of the National Specialty. Appropriate expenditure of the funds will be determined by the Show Chair. To date, sponsors have included Canidae and Purina.

PREMIUM LIST

The Show Chair must identify the due date for the premium list information and submit the Specialty information to the Show Secretary or Show Superintendent. Assistance on putting the together the premium list will be provided by the ASDCA Secretary.

The National Specialty Premium List for Independent Specialties must contain the following information:

- ASDCA trophies that are awarded.
ASDCA NATIONAL SPECIALTY GUIDELINES

**CLASSES – REGULAR AND NON-REGULAR**

The Show Chair must identify the additional non-regular classes and coordinate with the Superintendent/Secretary to ensure they are included on the premium list. The ASDCA policies and descriptions for these non-regular classes are contained in this document. Except for the Veteran’s Classes the balance of the non-regular classes must be held after the completion of Best of Breed. Show Superintendent/Show Secretary must be made aware of the place in the catalog.

HOST HOTEL

Requirements for the Host Hotel. This will be the hotel designated as the “ASDCA Specialty Club Headquarters,” where the exhibitors and their dogs will stay. Set aside a block of rooms and attempt to get a group rate for the ASDCA. If the hotel charges a deposit on rooms with dogs, try to negotiate for refundable deposits upon verification that no damage has occurred upon checkout. This hotel should have rooms available for meetings (Board of Directors or AGM) or other events such as Judge’s Education Seminar as necessary. Ensure the hotel is convenient to the show and is in a safe location. Ensure the hotel will allow dogs in the rooms.

Approximately 5-6 hotel rooms must be reserved for Club officers and Board members 2-3 days prior to the date of the actual date of the National Specialty to allow for the Board meeting that occurs the 1-2 days prior to the National Specialty. (March 2010)

**ANNUAL GENERAL MEETING**

The Show Chair shall coordinate with the ASDCA Secretary to identify a site, time and date for the Annual General Meeting (AGM).

**SPECIALTY DAY LUNCHEON**

A luncheon should be provided for exhibitors and judges unless food vendors are available on the show sight. Reservation forms shall be placed on the ASDCA web site and advertised in the *Anatolian Times*.

**ANNUAL AWARDS BANQUET**

The Annual Banquet will be deemed the Annual Awards Banquet at the National Specialty. The date and time of the Banquet should be coordinated with the ASDCA Board. Location should be as close as possible to the Host Hotel.

It is the responsibility of the ASDCA Show Chair and the Hospitality Chair to establish the menu and price of the banquet. As with all contracts made in the name of the ASDCA, they are to be reviewed and approved by the ASDCA Treasurer. Information regarding the Annual Awards Banquet should be provided to the *Anatolian Times*’ Editor and ASDCA Webmaster regarding the place, time, menu, closing date for reservations, and costs as soon as it is available. Collection of the banquet fees are done via a flyer mailed out with the *Anatolian Times* so attendees can return their money and reservations. All checks are to be made payable to the ASDCA. Conduct a final coordination with the banquet facility on the day prior to the banquet. This should be a self-sustaining event.

It is important to determine if there will be extra charges added, such as linen rental fees or charges for bartenders. Once the menu has been decided, the price per meal will be set. The advertised price must be more than the hotel’s price in order to cover all costs associated with the dinner, including defraying the costs of the ASDCA non-paying guests, all gratuities and service charges, decorations, etc. Get a guarantee from the catering staff that you can adjust the number of contracted dinners up or down at least 10% at no additional charge to allow for last minutes additions and/or cancellations.

During the negotiations, insist that everything agreed upon be contained in the banquet contract. Any changes that occur shall be in writing in the form of addendums to the contract.

The only non-paying guests of the ASDCA at the Awards Banquet will be the contracted corporate sponsor representative and his/her guest (limit of 2 people), the official ASDCA photographer, all of the ASDCA conformation and sweepstakes judges for the ASDCA National Specialty and their spouses or partners, if present.
ITEMS FOR SALE

VENDORS

No vendors shall set up or sell on the show or motel site. The ASDCA Board will consider allowing groups that are sanctioned by the ASDCA or individuals whose portion of the proceeds made go the ASDCA to sell items at the Annual Banquet.
